

High Voltage Youth Camp 2010 Project Prom Dress

Donate your Formal Gowns, Dresses, Shoes, And Accessories

High Voltage Youth Camp is Collecting Prom Dresses For Local Economically Disadvantaged Teens

It's that time of year—prom season, and local high schools girls are looking for that perfect dress. High Voltage is collecting prom dresses and we need your help.

Donate your ready-to-wear formal ball gowns, shoes, purses, and accessories at JOB1. Formal wear is needed in all colors, styles, and sizes to make prom night a time to remember. Cash donations are needed to purchase dresses in sizes that are rarely donated in addition for dry-cleaning expenses. Gift certificates for shoes, nails, and hair services are also appreciated.

Dress should allow for the following:

- All gowns must be floor length
- Strapless dresses are fine
- No midriff
- High splits dresses are not allowed

All donated items should be in ready-to-wear condition.

Your donation may be tax-deductible, contact your tax adviser for more information.
